Food Safety Policy

KETEPA is committed to taking all responsible steps and precautions and exercising our due diligence to protect and preserve the human food chain in our custody.

KETEPA has established the internationally recognised **ISO 22000 Food Safety Management System.**
Food safety is as a result of deliberate action and it is therefore the responsibility of management to make this happen.

Objectives of the Food Safety Managment System:

Conform with regulatory and customer requirements

Provide our personnel with adequate food safety information, training, instructions, tools and equipment to carry out their job in a hygienic manner.

Continually improve our processes capable of delivery of safe products.

Communicate & Ensure that suppliers, contractors and visitors embrace the same food safety commitments.

Implement and maintain this policy at all levels of the company.
